

Traditional Representational Painting - An ongoing course for all levels with Terry Trambauer Norris

Saturday Afternoons 1pm - 4pm at Central Brevard Art Association

Students may work in Oils, Alkyds, or Acrylics

This is ongoing, self paced instruction for students interested in painting in a representational manner using traditional methods and techniques. A variety of styles and approaches may be explored. The focus is on logical, no nonsense, and effective methods for learning color, composition, and drawing as they pertain to painting.

All levels are welcome, including beginners. Individual instruction will be given according to the needs and desires of the student.

\$15 per class. No registration is necessary. Pay when you come. Just show up and bring a project to work on or begin, and your supplies, and/or any pieces you would like to discuss. If you do not have a project or are a new beginner, just come ready to work with whatever supplies you have. It is OK if you don't have any supplies yet on the first day.

Feel free to stop by the class to meet the instructor and check it out before choosing to participate, or call if you have questions. 321-383-9846
